Dandelion Fundraiser

Everyone deserves to know who they are. The Dandelion Project is a future event on **August 27th, 2023** focused on helping korean adoptees reconnect with their culture. The fundraising for the project was on the 21st of January. With the participation of generous people that assisted, we raised over a thousand dollars! We thank the wonderful community for helping this happen.

HoK Election

The upcoming election in House of Korea determines next years executive, design, logistics, management, and public relations team leads. The president and V.P. need to have two years of experience in volunteering at HoK and be a junior while team leads need one year and to be a sophomore. The results will be announced on **May 21st 2023**, and we anticipate the results.

Lawn Program

The 2022 HoK Lawn Program was September 10th. There were folk dances, gayageum recitals and fundraising with traditional knot bracelets, snacks, and food. The bulgogi and kimchi rice bowl and were popular in the event, and introduced many to the world of Korean cuisine. If you missed the last lawn program, don't worry, it's an annual event. The next one will be on **September 24, 2023**.

Congrats YA Seniors!

Hana Shin
It was a new experience that I learned a lot from.

Kwangmin Do
I was able to learn and appreciate Korean culture more deeply through YA activities, and I had a significant opportunity to feel pleased as a volunteer who introduces Korean Culture.

Junwoo Seo
Thank you for letting me volunteer at HoK. It was such a nice experience to have.

Michele Kim
Thank you for helping me have fun while spreading my culture! (and the opportunity to see PIHarmony live :))
