Dandelion Project

HoK YA has been actively assisting and supporting HoK to promote Korean culture and history to the public and has met many people that are interested in Korean history, culture, and values. Korean adoptees, friends, and Korean adoptees' families asked for more opportunities to learn and experience Korean culture. So, the YA proposes Korean Culture

Dandelion Event Fundraiser

Day for Korean adoptees, their families, and friends to introduce them to Korean culture, games, and food.
